

相撲部屋見学 注意事項

Please follow the below instructions when visiting sumo stables.

1 相撲部屋は真剣勝負の場なので、敬意を表すること / 途中退出禁止

A sumo stable is not a facility for tourists. Sumo wrestlers practice on a daily basis. Please respect the stable masters and the wrestlers. Leaving the stable during the practice is not allowed.

2 私語厳禁 / 動かないで静かに見学すること

Do not make loud noises. Whispering may disturb the wrestlers. Do not move around in the vicinity.

3 土俵や土の上に立たないこと

Do not stand on the practice ground. The inner ring is a sacred place for the wrestlers.

4 靴を脱ぎ、畳敷きのスペース、または床に座ること

At the entrance, take off your shoes. When entering the stable, take a seat on the tatami or wooden floor. When you do so, do not stretch your legs out toward the ring; recommendable to sit cross legged. It is considered rude to show the soles of feet to the wrestlers.

5 帽子やサングラスを取ることに

Take your hat and sunglasses off upon entering the stable premises.

6 禁煙・飲食禁止

No food, beverages, and smoking upon entering the stable premises.

7 写真撮影は座ったままの状態でのみ可能 / フラッシュ禁止 / 音の出るカメラ禁止

You may take photos during the practice while sitting. Taking photos while moving around is prohibited. Please disable your camera's flash and shutter functions.

8 携帯電話の電源は切ること

Please turn on silent mode, or turn off your mobile phone completely.
